This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

17 ASTOR, JOHN JACOB. Check on Bank of U. S. Signed. 1792.

18 AUDUBON, MR. Signature on card.

19 BARLOW, JOEL. Author of The Columbiad. Consul at Algiers. A. L. S. 15 pp. 4to. Algiers, 1797

"One of the most unfortunate circumstances that have attended our affairs in this place has been the opposition and decided enmity of the French Consuls. * * * * The present Consul of France, the famous Jean Bon St. André, formerly one of the most fiery satellites of Robespierre, gave me to understand that our treaty with England was likely to produce a war with France. * * * He armed a privateer some time ago in this place, gave her orders to take every neutral vessel she could find, and wherever taken to send them to this port. The first arrived was a Dane, * * * and she brought news of an American taken the same day, and ordered to this place. * * * She has not yet arrived, though we are to expect many of them before it can be known that they will not be received. * * * From the moment of his arrival this man has not ceased to seek quarrels with every body, and has rendered himself extremely odious to the Dey and to all the foreign residents here. * * * Our peace with France is not yet concluded, owing, as I believe, to the intrigues of the French Consul."

The sheets were cut for fumigation, but not obliterating text.

20 BANCROFT, GEORGE. A. L. S. 1 page. To My Dear Mr. Appleton. n. d.

21 BANCROFT, G. L. S. State Department. 1846.

149 JEFFERSON, THOMAS. A. L. S. 1 page, with half page of extract from another letter. To Mr. Duane on purchasing books for Congress. July 16, 1802.

150 JEFFERSON, THOMAS. A. L. S. 1 page. To Col. Duane. Feb. 10, 1815.

"Our late news from New Orleans is enlivening. The personal interest which British Ministers find in a state of war, rather than of peace, in riding the various contractors, and other douceurs, on such enormous expenditures of money & recruiting their broken fortunes or making new ones, forbids the hope of peace as long as, by any delusions, they can keep the temper of the nation up to the war point."

151 JEFFERSON, THOMAS. A. L. S. To Col. W. Duane. May 31, 1820.

"I am long since withdrawn from the political world. I think little, read less & know all but nothing of what is going on, but I have not forgotten the part, nor those who were fellow-laborers in the gloomy hours of federal ascendancy."

152 JEFFERSON, THOMAS. 1 page. About books. Dec. 29, 1817.

153 JEFFERSON, THOMAS. Signature as Sec. of State to a printed copy of "An Act to establish an uniform Rule of Naturalization." March 26, 1790.
